

Kaimai Cycles Twilight Series Race Protocol 2016/2017

The Kaimai Cycles Points Series on Tuesday nights is a very popular race series with over 40 enthusiastic people ranging from 7 to over 70 years old taking part each night. A set of rules has been established to ensure everyone's safety is ensured and that the race can be run efficiently.

1. **Races start at 6.30pm.** Race briefing 6.25pm.
2. **Register your entry before 6.15pm** to help the grade/handicap allocation.
3. **Helpers:** We need three people to help run the race every time. Please volunteer at the race the week before. Bring your bike along and if the race organisers don't need you, then you can race. A list of names will be held to ensure all riders take a turn. We also require one parent to look after the children every night otherwise the children's racing will be cancelled.
4. **Demerit Points:** Demerit points will be given for things like bad behaviour, erratic or dangerous riding and interfering with officials while they are working. You will be given one warning then points will be deducted for further offences.
5. **Keep on the left hand side at all times during the race.** All road rules still apply even during a club organised race. Crossing the centre may lead to disqualification and withdrawal for the race.
6. **Parking:** No parking in any drive ways. Park in designated areas only.
7. **Bolton Road finishes:** After the race, please remain with the club trailer. Do not go backwards on the course to the finish or your parked car.
8. **No standing on the road** before or after racing.
9. **No talking to the racing officials while they are doing their jobs.** Distractions may result in incidents and incorrect race results.
10. **Results:** All results will be published on the club website: www.morrinsvillewheelers.org.nz
11. **Your bike:** Ensure it is in top order. Get it serviced regularly by your cycle dealer, i.e. Kaimai Cycles. Check also your cycling shoes/cleats and apparel/gloves.
